GUINEVERE

An octagonal pavilion is one of the most enduring of British garden furniture designs. New for 2008, the Guinevere is an elegant, stylish pavilion specifically created for the medium to large outdoor space.

Seating 6 - 8 people in comfort, the Guinevere is elegantly proportioned making maximum use of space to bring you a stunning alfresco area where you can relax, entertain and dine in style.

The aesthetic beauty, attention to detail and balanced lines of this stunning pavilion will add style and prestige to any garden, terrace or patio. And because your tastes are unique, your new pavilion can be customised to suit you with 1, 2 or 3 entrances plus the option of shingle tiles in place of thatch.
