Release type: **Products**

The Hampton is a new addition to the established Cedar collection of garden pavilions. Constructed from the finest Canadian Western Red Cedar and at an impressive 6m in diameter by 4m deep it is also the largest to join the extensive Crown Pavilions range. As well as being official sponsors of the members enclosure at the Badminton Horse Trials, visitors to many of this summers most glorious garden shows, including Chelsea, Hampton and Tatton can also look forward to the unveiling of The Hampton pavilion. Ticket holders can also make the most of Crown's special show discount on the popular Wentworth pavilion.

The Hampton pavilion is the ultimate focal point for any grand garden. This indulgent pavilion is perfect for entertaining, featuring an elegant oval table to seat eight and a sumptuous sofa able to accommodate 10 more guests. With plenty more room for additional furniture or for those looking to make the ultimate splash with a luxury Jacuzzi, the Hampton pavilion is sure to prove a summer sizzler.

Sitting comfortably with nature, this garden retreat not only looks great but is also made from superior quality Western Red Cedar which has been determined the most sustainable building material in recent studies and with soft spotlights also provides a great getaway for whiling away those tranquil summer evenings with a good book, soaking up all the ambience under the beautifully crafted Cedar shingle roof. Prices start from £18,950.
