CROWN PAVILIONS

The marque of excellence

ESCAPE WITH A PREMIUM GARDEN SHELTER FROM CROWN PAVILIONS

Our beautiful range of garden shelters are both versatile and elegant. Inspired by our small luxury wooden gazebos and the versatility of traditional pergolas, this collection offers beautiful simplicity in concert with our world renowned build quality.

CROWN PAVILIONS

The World's Finest Garden Shelters

Our wooden garden shelters and canopies will extend the use of your garden by creating a protected space to incorporate furniture, a hot tub, BBQ or firepit. Choose from two very distinctive roof styles: our deluxe pergola style flat roofs or our gazebo style, cedar tiled, hipped roofs.

Crown Pavilions is the leading UK provider of garden shelters. We have a perfectly sized garden hideaway waiting for you, so why not explore the possibilities and make the most of your beautiful garden this year.

Installation Included with Our Garden Shelters

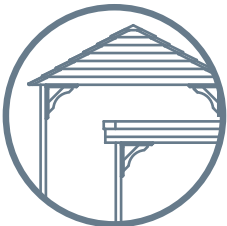

You don't have to worry about setting up your garden shelter - our team of experts will come and install your garden building, so you can begin enjoying it from day one. Whatever you're looking for, our garden shelters can meet your exact needs with the following benefits:

FLEXIBILITY – whether you want a small garden hideaway just for yourself or a large wooden canopy to host friends and family, we have the right size model just for you

YEAR-ROUND USE – our garden shelters are designed to be permanent garden structures built to last whatever the weather

CUSTOMISATION – choose between a deluxe pergola style flat roof or classic hipped cedar tiled roof for your garden shelter

“The best that money can buy...”

After looking at numerous Garden Room and luxury wooden gazebo manufacturers on the market we decided to go with Crown Pavilions as their buildings are undoubtedly the best that money can buy and the service level was exceptional.

They exceeded our expectations at every stage. If you are looking for the best garden buildings on the market, then Crown Pavilions is the company to hire!

TRANQUILITY

SIZE: 3.5m x 3.5m (11'6" x 11'6")

The Tranquility is our smallest garden shelter. At 3.5m x 3.5m, the Tranquility is a perfect fit for any sized garden and can be installed by our team in a day or less. The EPDM, flat roof option provides a modern look, while the cedar tiled hipped roof version provides a more traditional, elegant look. All our garden shelters weather beautifully with minimal maintenance required to keep them looking their best.
